GIRL NAMED TOM

Three siblings unlock one harmony to unite the world as Girl Named Tom. The trio—Bekah, Joshua, and Caleb Liechty—notably made history as “the only group to ever win NBC’s The Voice.” Along the way, they’ve impressively generated over 25 million of streams across chart-rattling covers such as “River,” “The Chain,” and “Dust in the Wind.” The proud Midwesterners gained further traction with the independent release of Another World EP. In 2022, they served up their debut holiday EP, One More Christmas, which reached #1 on the iTunes Charts, and embarked on a massive arena

tour supporting Pentatonix for “A Christmas Spectacular.” Since 2022 the group has been living life on the road performing over 250 shows to date. The sibling trio has captivated millions on television, appearing on The Ellen DeGeneres Show, singing for the Indy 500, and returning for a heart wrenching performance on The Voice Finale a year after their win. Their inimitable harmony will only continue to resound louder with their most recent EP release “...Wilder Then.”

The opener for the evening will be pop singer-songwriter Kate Yeager. Raised in New York and growing roots in Nashville, Kate delivers

powerful, raw vocals with lyrics that make you question, “How does she know my life?” Seeing Kate live makes you feel like you are spending a night in her living room listening to stories, laughing and crying over boxed wine.
