## MORE ABOUT ABBA

ABBA's story began in 1972, when the Swedish quartet first formed and quickly rose to international fame after winning the Eurovision Song Contest in 1974 with "Waterloo." Over the decades, their infectious melodies, rich harmonies, and unmistakable sound have produced global hits including "Dancing Queen," "Mamma Mia," "Take

a Chance on Me," "Fernando," and "The Winner Takes It All." More than 50 years later, ABBA's music continues to transcend generations, filling dance floors, theaters, and even Broadway stages around the world.

Their songs have sold hundreds of

millions of records, inspired the smash-hit musical and film franchise Mamma Mia!, and remain staples of pop culture. The music is joyful, nostalgic, and timeless, and that's exactly what audiences can expect to hear onstage today!
